

# The Top 10!

## Why Join Business Horsham?

1. **Help promote your business!** Networking and word of mouth is the quickest way to ensure the growth of your business.
2. As a business owner, have ownership in the direction of the business community as a whole. **Provide input and ideas in relation to projects that could create increased business to Horsham**, through visitors, new residents and those passing through.
3. **Save money!** That's right, Business Horsham saves you money. **Part of your overall membership fee goes towards the Community Chest.** Most business owners are confronted with a never ending flow of individuals and organisations seeking sponsorship or donations. If you are a member of Business Horsham, send them to us for consideration. The Community Chest goes towards community activities and those seeking sponsorship.
4. **Help your city move forward.** Executive Committee members have all noted that they have contributed their time to ensure that Horsham is a better place to live and work for their children and grandchildren. **We all need to work together to move our city forward!**
5. **Training for you and/or your staff!** Yes, once again, money well spent. Many of the training opportunities throughout each year are free to members. That means that you can send a staff member along to training and not have to pay for it! Most training programs would cost well over the total annual membership fee!
6. **Information sessions/Industry Sector Forums.** Members of Business Horsham can attend regular Industry Sector Forums hosted by the group that provide information and training in regards to relevant business issues. Members receive formal invitations to these sessions and are allocated free entry.
7. Have any concerns in relation to your business or the local community? Let Business Horsham support you. **Business Horsham as a group will lobby on your behalf!** Have the strength of a larger network behind you. As a business community we are a team, and as a team player you will have the whole team behind you!
8. **You essentially don't pay anything for membership!** Yes, that's right. Subscriptions or memberships to any **work related activity are claimable each year in your tax return.**
9. **Are you committed to your business and its growth?** You are? Well you should be willing to get the message out there about your group. There are opportunities through regular member correspondence and newsletters to promote your business within the group.
10. **We make it easy for you!** The group is well coordinated and your involvement is as little or as much as you like. Let us know what you would like to be involved in and what you are not interested in. **Discover how easy it is to be a part of something progressive and how easy it is for you to make a difference!**
